[For additional information on this subject, request the "Water Supply and Waste Disposal Notification" form.]
 - E. Title Exceptions. At Closing, the general warranty deed will be subject to subdivision and/or condominium declarations, covenants, restrictions and easements of record, which may impose obligations and may limit the use of the Property by Buyer.
 - 11. Disclaimer. It is understood and agreed that the real estate firms and real estate licensee(s) representing or assisting Seller and/or Buyer and their brokers (collectively referred to as "Brokers") are not parties to this Agreement and do not have or assume liability for the performance or nonperformance of Seller or Buyer. Buyer and Seller agree that Brokers shall not be responsible for any of the following, including but not limited to, those matters which could have been revealed through a survey, flood certification, title search or inspection of the Property; the insurability of the Property or cost to insure the Property; for the condition of the Property, any portion thereof, or any item therein; for any geological issues present on the Property; for any issues arising out of the failure to physically inspect Property prior to entering into this Agreement and/or Closing; for the necessity or cost of any repairs to the Property; for hazardous or toxic materials; for the tax or legal consequences of this transaction; for the availability, capability, and/or cost of utility, sewer, septic, or community amenities; for any proposed or pending condemnation actions involving Property; for applicable boundaries of school districts or other school information; for the appraised or future value of the Property; for square footage or acreage of the Property; for any condition(s) existing off the Property which may affect the Property; for the terms, conditions, and availability of financing; and/or for the uses and zoning of the Property whether permitted or proposed. Buyer and Seller understand that it has been strongly recommended that if any of these or any other matters concerning the Property are of concern to them, that they secure the services of appropriately credentialed experts and professionals of Buyer's or Seller's choice for the independent expert advice and counsel relative thereto. Buyer and Seller acknowledge that photographs, marketing materials, and digital media used in the marketing of the property may continue to remain in publication after Closing. In the event that any party exercises its right to terminate due to the default of the other pursuant to the terms of this Agreement, the terminating party retains the right to pursue any and all legal rights and remedies against the defaulting party following termination. In the event that the contract fails due to the severed provisions, then the offending language shall be amended to be in conformity with state and federal law.
- **K.** Alternative Dispute Resolution. In the event the parties elect to utilize Alternative Dispute Resolution, incorporate "Resolution of Disputes by Mediation Addendum/Amendment" (RF629).
- L. Contract Construction. This Agreement or any uncertainty or ambiguity herein shall not be construed against any party but shall be construed as if all parties to this Agreement jointly prepared this Agreement.
